

SAFETY COMMITTEE MEETINGS

2013-14

Tuesday, August 27, 2013

Safety Committee Meeting – District Office Board Room

Discussion:

1. Security issues - On August 20th all staff in buildings went over procedures for lockdowns (internal-external) and fire alarm issues. Fire drills were performed for staff – then a questionnaire was sent out. The feedback was discussed, further information was needed before answering several questions.

Future discussions will take place at later meetings.
